I PURPOSE

This Policy describes how Grendon Underwood Parish Council will manage and conduct its administrative arrangements in relation the requirements of the relevant legislation such as to regulate the efficient and timely compliance with relevant statutory obligations and to deliver its duties in regard to the expectations of the residents of the Parish. It lays out how Councillors and council employees are expected to abide by these requirements.

Council has made every effort to ensure all relevant statutory requirements to which a council is subject are encompassed in this Policy but confirm that, in any event, those requirements apply whether or not they are incorporated herein.

The Council has made every effort to ensure this Policy is consistent with other Council Policies where relevant.

- A ‘meeting’ is a properly constituted meeting of the Council, any of its committees, sub-committees, joint committees or joint sub-committees.
- Unless otherwise expressed, a reference to a Member of the Council includes a co-opted member of the Council.
- Where gender specific wording is used, meaning is intended to be gender neutral.

II SCOPE

There are two legally mandated methods in which council must communicate with the residents of the Parish – a free to use open web site and noticeboards within the Parish Boundary.
