

Grendon Underwood Parish Council 25/Aug/2020

Saye and Sele Foundation Trustee Report

There has been no meeting of the foundation since the last PC meeting and there is nothing to report except the recent temporary encampment on the Grendon field. The clerk has acknowledged my summary of the actions taken and the way forward to deter future such occurrences will be discussed at the next meeting of the Trustees in 2 or 3 weeks time.

GUVH Trustee report

The Trustees held a Zoom meeting on 19/Aug when the following main points were agreed:

Regular users will be encouraged to return ,without the use of the kitchen or upholstered chairs, but will need to provide their own risk assessments.

An update/improvement of the kitchen was proposed to be a subject of S106 funding and actions placed to generate a requirement spec. and quotes.

Stage curtain replacement will go ahead, and bar entrance curtain replacement and heater instalment will be scoped.

Quotes will be obtained to make good the area where the willow tree was removed.

Various maintenance issues including electrical checks were discussed.

Finances remained satisfactory.
