Saye and Sele Foundation Trustee Report

Following the retirement of Mrs Prideaux as Chair and the retirement from practice by Mr Friedlander (who acted as clerk to the foundation), at a recent Zoom meeting the trustees discussed the way forward without reaching a final position.

Mr Friedlander did however agree to continue to act pro tem and Mr Avery (who also is a GUPC nominated trustee) agreed to prepare brief summary statements of the Foundation's aims and its Modus Operandi for consideration by the Trustees and then to help formulate future arrangements. These have been prepared.

In the meantime, the Foundation's finances remain in a strong position.
